DETAILED ACTION

Allowable Subject Matter

1. Claims 1-8, 10-21, and 23-25 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or make obvious the steps of or means for **"a network load is distributed to each non-faulty splitting device such that the bit rate increase in each non-faulty splitting device is less than the nominal bit rate"**, when such network load is considered within the specific structure of the method recited in claim 1 or the device recited in claim 15. The prior art of record fails to teach or make obvious the steps of or means for **"upon a fault between a terminal linked by a splitting device K to the central unit, a first input/output A_1 to A_i of the splitting device K is deactivated"**, when such splitting device is considered within the specific structure of device recited in claim 11.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
